On 18th June 2023 meeting was held for all the principals of the North Bangalore by the pre-University board Presided by the Deputy Director PUC board Mr T Palaksha, venue Mount Carmel PU college Vasant Nagar. In the meeting their was an interaction regarding change in academic pattern, for non practical subjects and other important administrative matters, and also, Information on tests, exams, assignments was also discussed.

MSRPUC Principal Ft Lt Sunita Dixit (Retd)
speaking to the DDPU regarding circulars

Non practical subjects exam pattern was changed to 80+20 rule, 80 marks will for academic written exam, 20 marks is divided as, 10 Marks internals, 5 Marks for project, 3 Marks will be awarded for assignments, and 2 Marks will be given by viva. This pattern has to be strictly followed. Our college Principal gave some valuable suggestions regarding the circular dissemination

Staff Meeting

Principal presided over a meeting to disseminate all the information received from the meeting with the staff regarding the various aspects of information received from the PU board.

The Agenda Points Discussed Were

1. 20 topics will be provided by the PUC board and the students will be conducting the project work on these topics.
1. The file and records of internal marks will have to be kept in the college for 6 months after the results.
2. The board test/ exam has to be completed at a stipulated time and date scheduled by the PU board and there should be no variation in the timings as well.
3. The science subjects will continue with practices as it was earlier. Non practical subjects will have 80 theory marks and 20 internal marks . Out of which 10 marks will be the average marks of two test/ exam scores and 10 marks for project work.
4. Information should be provided to the board regarding those student who have joined college after the first test.
5. Electro Literary club (ELC) should be formed and one ambassador will be nominated by the college and they should conduct various activities wrt to the National Voters day , debate , drama and quiz.

Ramaiah Vidyaniketan school students at RCPUC

Ramaiah Vidyaniketan school students are coordinately invited to RCPUC college, High school is when many students likely to visit college campuses to glimpse what life could be like a few years in the future. This will make students comfortable to have an interaction with lectures, and can have a open talk about there future and about there educational doubts and about college premises and there interaction, with seniors, and visit laboratories and to know about the infrastructure of the campus, and to make a good social bond with vidyaniketan and RCPUC college.

Monthly test was conducted

Every Month MSRCPUc conduct the Monthly test will be conducted to monitor the learning out come of the student, and to determine whether students have learned what they were expected to learn or to level or degree to which students have learned the material. Monthly test will also be used to measure learning progress and achievement and to evaluate the effectiveness of student. Both the test for academic progress and the competitive exam progress is being closely monitored.
