On the occasion of Kargil Vijay Diwas, RCPUC hosted a dedicatory event on 27th July 2023 paying tribute to the brave soldiers who sacrificed their lives during the Kargil War. The event was embellished by the esteemed presence of RCPUC Principal, Ft. Lt. Sunita Dixit (Retd.), bringing a sense of honor and military expertise to the gathering. Dr. Vatsala, Principal of M. S. Ramaiah College of Arts, Science, and Commerce, was also a part of the dignified ceremony, adding academic and institutional significance.

This celebration served as a poignant reminder of the valor displayed by our armed forces in the face of adversity. It fostered a spirit of patriotism and unity among the students and faculty of RCPUC.

The shared presence of the two Principals from reputable educational institutions emphasized the importance of acknowledging our military history and instilling a sense of duty and responsibility among the future leaders at our RCPUC college.

As the day unfolded, it promised to be a heartfelt tribute, blending military respect, educational leadership and a collective remembrance of the sacrifices made by our brave soldiers during the Kargil War.

Cleaning Drive with Pranava Seva Foundation

RCPUC, in collaboration with Pranava Seva Foundation, was set to embark a noble initiative—a cleaning drive scheduled on 23rd July 2023. RCPUC Principal Flt Lt Sunita Dixit was invited as the Chief guest for the drive of cleanliness on account of Kargil Diwas. RCPUC Alumini, founder of Pranava Seva foundation, Advocate Chandan Rajappa has been conducting various drives to educate people for better environment. The association with Pranava Seva Foundation, known for its dedication to social and environmental causes, amplified the impact of the cleaning drive. This initiative aimed not only to enhance the immediate surroundings but also to inculcate a sense of environmental responsibility among the participants.

Beyond the physical cleanup, it served as an educational platform, promoting awareness about waste management and the importance of maintaining cleanliness in communal spaces. By joining hands with Pranava Seva Foundation, RCPUC not only contributed to the local community's well-being but also sets an example for collaborative environmental activism. This event stood as a testament to the college's dedication to holistic education, emphasizing the role of students in creating positive change in society.

Statistics Educational Trip

On 24th July 2023, First PUC CSBA students from M.S Ramaiah Pre University college embarked on a transformative Statistics Education Trip to the esteemed Indian Statistical Institute (ISI) located in Bangalore. The Centre of the Indian Statistical Institute was conceived by Prof.P.C.Mahalanobis during 1960s, even when the city was emerging as a Centre of science. It is now a well-established and also, one of the most vibrant scientific communities in Asia. This immersive experience aimed to bridge theoretical knowledge with practical application, exposed students to the dynamic world of statistics and analytics. This trip featured engaging sessions led by ISI faculty, exploring advanced statistical theories and methodologies pertinent to their CSBA curriculum. Students actively participated in hands-on workshops, gaining proficiency in statistical software tools under expert guidance.

The visit also included a comprehensive tour of the ISI campus, providing insights into cutting-edge research facilities. The trip's success lay in its ability to inspire students by showcasing the real-world applications of statistical analysis through case studies and demonstrations.

Feedback from participants and faculty attested to the trip's impact, with students expressing gratitude for the valuable insights gained and faculty commending the practical orientation. This Statistics Education Trip not only enriched academic understanding but also ignited a passion for statistical exploration among First PUC CSBA students, reinforcing RCPUC's commitment to holistic education.
