Parent teacher meeting is conducted after monthly tests, to report the parents about the progress of their wards. Each class is assigned with proctors or mentors who provide the information of the attendance and marks scored by the students. The parents are informed about the various tests and events that is being held at the college.

The Lectures at our college take interest in each individual student and track their progress, they also reinforce and aid each individual to carry forward their progress not only with their academics but their overall progress. Parents met their respective proctors and discussed about their ward's progress.
