WORLD NO TOBACCO DAY OATH TAKING

World No Tobacco Day (WNTD) is celebrated annually on May 31st by the World Health Organization (WHO) and its partners to raise awareness about the harmful effects of tobacco use and second-hand smoke exposure. The day also aims to discourage tobacco use and advocate for policies to reduce tobacco consumption. In view of this with the instructions of Principal Flt Lt Sunita Dixit (Retd), Ramaiah Pre-University College organized oath taking program for our future society pillars that not use any tobacco products and not letting other person to use. Students prepared posters on disadvantages of tobacco use.
