## NSS SKILL DEVELOPMENT PROGRAM

The skill development program organized by MSRIT in collaboration with NSS was a fantastic opportunity for the students to enhance their skills and gain exposure to the digital landscape.

This program typically covered various topics, such as digital literacy, mobile transactions and technical puzzles. This not only enhances their understanding of digital tools and platforms but also fosters a spirit of innovation and creativity.

The collaboration between educational institutions and organizations like the NSS is vital for bridging the gap between academic learning and real-world applications. It will help the students in preparing students for future challenges and opportunities in the digital age. It's commendable that RCPUC students have participated and took advantage of this valuable experience.

## NAVRATRI CELEBRATIONS

The celebration of dolls and figurines during Navratri is a vibrant and culturally enriching event that adds a unique dimension to campus festivities. This tradition often involves students and staff coming together to collect and arrange dolls in multiple tiers, symbolizing the nine nights dedicated to worship and celebration.

Each level typically represents a different aspect of the festival, with dolls arranged thematically to showcase creativity and storytelling. This not only encourages participants to engage with their cultural heritage but also fosters a sense of community as everyone collaborates to create an impressive display. Vidyaniketan school had arranged the dolls and figurines so attractively on 3<sup>rd</sup> October 2024.

RCPUC Principal Flt Lt Sunita Dixit along with staffs and students joined the celebration which highlights the spirit of unity and shared purpose within the campus. It serves as an excellent opportunity for everyone to express their artistic skills, learn about the significance of Navratri and strengthen the bonds through collective efforts.

Each day of Navratri celebrates a specific color. On the second day of Navratri devotees are urged to wear green color as it is a sign of energy, growth, renewal and nature. It is a color that promotes harmony and tranquility. Our Principal Flt Lt Sunita Dixit posing with our lecturers during the 2<sup>nd</sup> day of Navratri with the green color attire.

# Alumni Joining Our Sister Institutions

It is wonderful to hear about the successful admission of RCPUC students at MSRIT! Our students Balaji Krishan, Aditi V Pai and Dhanush have taken admissions in our Ramaiah institutions. Balaji has chosen to pursue a degree in Electronics and Communication. Dhanush joined the Architecture branch. All these students embark on an exciting educational journey and it will be interesting to see how their experiences and skills develop in their respective fields. This transition also reflects positively on RCPUC, showcasing the potential and achievements of the students. It is remarkable that all these alumni have chosen to return back to our MS Ramaiah campus to build their career.

## AYUDHA POOJA

Ayudha Pooja is a Hindu festival celebrated on the 9<sup>th</sup> day of Navratri. The essence of the celebration lies in expressing gratitude towards all tools and instruments that aid in enhancing our productivity and success in various fields from simple household to advanced machinery. RCPUC organized the festival on 10<sup>th</sup> October 2024 on our collage premises. Our CE Shri Parshwanath H V along with CAA Professor Shri Karisiddappa and COF Shri G Ramachandra graced the occasion with their presence. Honorable guests and RCPUC Principal Flt Lt Sunita Dixit along with the teaching and non teaching staffs celebrated this occasion in a grand manner wishing success to all the department in the college and also hoping for excellent results in the academic year.
