## BASKETBALL TEAM SELECTION

On June 20<sup>th</sup>, Ramaiah Pre-University College successfully hosted its annual basketball team selection trials at the college grounds. The event aimed to identify and select talented and dedicated student-athletes to represent the institution in upcoming Inter-Collegiate Basketball Competitions.

### Selection process

The selection process was designed to assess various aspects of the participants' basketball abilities and overall suitability for the team. Things considered while selecting Skill Assessment Athleticism and Physical Fitness: Basketball IQ and Game Sense Effort and Attitude Teamwork and Communication.

## Inter-Class Cricket Tournament

On June 27<sup>th</sup>, a thrilling Inter-Class Cricket Tournament was organized at Ramaiah Pre-University College, bringing together students from various streams to showcase their talent, teamwork, and sporting spirit. The tournament witnessed enthusiastic participation as teams from different streams competed against each other in a series of exciting matches.

The matches were filled with energy, competitive spirit, and true sportsmanship, keeping the audience engaged throughout. After several well-contested rounds, the much-awaited final match determined the champion team. The winners were announced amidst cheers and appreciation from fellow students and faculty. The entire tournament was successfully guided and coordinated under the guidance of the Principal Flt Lt Sunita Dixit, whose encouragement and efforts ensured smooth conduct of the event.

## Inter-Class Chess Tournament

An Inter-Class Chess Tournament was organized at Ramaiah Pre-University College on June 20<sup>th</sup>, witnessing enthusiastic participation from both boys and girls. The event aimed to encourage logical thinking, concentration, and healthy competition among students. With more than 35 students from various classes taking part, the tournament was conducted in a series of rounds that tested the players' patience, strategy, and decision-making skills. Both boys and girls competed keenly, making the matches intense and exciting to watch.

After several rounds of challenging games, two winners each were selected in both the boys' and girls' categories. The winners were applauded for their excellent performance, while all participants were appreciated for displaying true sportsmanship and determination. These events have been taken up in the past few years since the Principal takes keen interest in sports, cultural and co-curricular activities. The tournament not only highlighted the intellectual capabilities of the students but also promoted the spirit of equality by giving equal opportunities to both boys and girls.

## Inter-Class Badminton Tournament

A Badminton selection trial for girls was conducted on June 20th at Ramaiah Pre-University College to identify talented players for the upcoming sports season. The trials were held on the college premises, which were well-prepared for the event. Under the guidance of respected Principal Flt Lt Sunita Dixit (Retd). the event was organized smoothly, providing a fair and encouraging environment for all participants.

A large number of female students showcased their skills, demonstrating strong determination and sportsmanship. The selection committee observed the players closely, evaluating their techniques, agility, and game strategy. The college administration extended its full support to ensure the successful completion of the trials. The selection process was a success, with several promising athletes identified to represent the college.
