WHAT'S NEW AT RCPUC

56th NSS Day - Page 1 & 2

Sports - Page 3 & 4

World's Aids Day - Page 5

The National Service Scheme Day was celebrated at Ramaiah Institute of Technology. The event was inaugurated by Gokula Education Foundation President Dr M R Seetharam and other senior officials. Students from RCPUC, along with the principal, participated in the NSS Day celebration.

Certificates received by RCPUC students

The program highlighted the motto of NSS “Not me, But You” emphasizing service and social responsibility. Around 500 students participated in the event. Certificates were distributed to students for their involvement in NSS activities. RCPUC students also received certificates for participating in the skill development programme.

Speech by our student

RCPUC Football Team with Principal

Ramaiah Pre – University College participated in the inter – collegiate football match, Krida Ananta Utsava 2025, held on November 12th and 13th, 2025. The Contingent was led by the team Football and Basketball captain. This achievement is testament to the unwavering support extended by our Principal, whose encouragement and guidance have fostered a culture of sportsmanship and excellence within the institution.

RCPUC Basketball Team with Principal

“Let the field be your stage and You the STAR”

Our students exhibited exemplary performance, showcasing their athletic prowess and determination, and commendably reached the quarterfinals. The team’s success reflects the college’s commitment to nurturing not only academic talent but also athletic abilities, instilling values of team work, discipline, and perseverance among students.

WORLD'S AIDS DAY

Rcpuc students attended a seminar on World AIDS day by students of Ramaiah Medical College on December 1, 2025. The seminar was informative and aimed to raise awareness about HIV / AIDS. The theme of this seminar was highlighting the need to address disruptions and inequalities in HIV care. HIV transmission and prevention strategies, Importance of HIV testing and early diagnosis, Antiretroviral therapy, Role of community and support groups in HIV management, Impact on mental health, HIV prevention among youth and vulnerable populations, India's National AIDS Control Programme (NACP) initiatives, latest research and developments in HIV/AIDS treatment were the various topics covered in this seminar to create awareness and educate students about HIV/AIDS, its impact, and the importance of prevention and support.
