A seminar on first aid conducted by MS Ramaiah Medical College was held at MS Ramaiah Pre-University College on 5<sup>th</sup> December in the Mother Theresa Auditorium. The session was highly beneficial for students, as it provided essential knowledge and practical guidance on handling various emergency situations. It helped individuals understand how to administer first aid immediately and confidently without depending on others.

## QUIZ COMPETITION AT MANIPAL ACADEMY

The MIQ 3.0 MAHE Bengaluru Interschool Quiz, organized by Manipal Academy of Higher Education, was a highly anticipated national-level competition that brought together talented students from Classes IX to XII across the region.

Conducted by the esteemed Nexus Consulting and expertly hosted by renowned quizmaster Mr. Venky Srinivasan, the quiz challenged participants with a rigorous written preliminary round consisting of 25 questions, followed by an exciting on-stage finale featuring the top six teams.

The event was designed to test not only knowledge but also quick thinking, teamwork, and composure under pressure.

Participants competed for attractive prizes worth ₹3 lakh, as well as a fully sponsored educational field trip to the MAHE Bengaluru campus, providing winners with both recognition and valuable learning opportunities.

Our I PUC CSBA students Tejas Ganesh Hegde, Dhanush R, Likith V, and Om Sharma proudly represented our institution with enthusiasm and determination. Their participation in this prestigious quiz exemplified their commitment to academic excellence and intellectual growth.

The experience offered them a unique platform to enhance their general knowledge across diverse subjects such as current affairs, Sports, Science, and entertainment, fostering a spirit of healthy competition and camaraderie among peers.

This remarkable event continues to inspire and motivate students to strive for excellence beyond the classroom.

## VISIT TO CUBBON PARK BY BIO DEPARTMENT

The Biology students of MS Ramaiah Pre-University College visited the Cubbon Park on 4<sup>th</sup> December 2025 to attend the vibrant flower festival held in the cubbon park. The festival showcased a wide variety of beautiful and rare flowers arranged in creative displays, helping students learn more about different plant species and horticulture. The visit was both educational and enjoyable, as students observed diverse flora and gained practical knowledge outside the classroom.

## RAMAIAH EVOLUTE'S STAR STARTUP AWARDS 2025

Ramaiah Evolute, the startup incubation and innovation wing of the Ramaiah ecosystem under the Gokula Education Foundation, successfully conducted the **Star Startup Awards 2025** on 3<sup>rd</sup> December 2025 at ESB Block, ESB Seminar Hall 1 (Basement), Ramaiah Institute of Technology. The event, along with the Evolute Startups Demo Day Inauguration, celebrated emerging startups and reinforced Ramaiah Evolute's commitment to fostering innovation, entrepreneurship, and industry collaboration.

Our alumni and academic award winner Ms. Priya Gariya invited Flt Lt Sunita Dixit for a podcast session at Ramaiah Institute of Technology. The podcast was organized as an interactive discussion where Flt Lt Sunita Dixit shared her inspiring journey in the Indian Air Force, her leadership experiences, and valuable insights on discipline, determination, and women empowerment. The session provided students with an opportunity to gain motivation, career guidance, and firsthand knowledge from a distinguished defence officer.
