CHIEF EXECUTIVE

Sri Ramaprasad, IAS (Retd.) is the Chief Executive of the Gokula Education Foundation for the Engineering and General Sciences. He has a vast exposure and experience in dealing with various issues in education sector as Registrar, Mangalore University, Director Pre-university Education and Special Officer, CET cell. As special officer CET, he had the

opportunity to implement a transparent, technology driven selection process for professional courses in Karnataka. He has the distinction of showcasing of a credible, widely acclaimed system of merit and reservation based selection of students for professional courses.

During his tenure as Project Director, Indo Norwegian Environment Program, KSCST and Project Director, Jalasamvardhanyojane, he has closely interacted with voluntary organizations institutions of higher and technical education, eminent domain experts and academicians and varied stake holders to achieve project objectives and outcomes. As Secretary to Governor of Karnataka, he has dealt with multifarious issues and processes concerning higher education and university. He retired as advisor, Special Investigation Team (Mines), Karnataka Lokayukta in the year 2015 and post retirement he has been working as advisor SIT, Lokayukta.

Visit Of Chairperson, Karnataka State Commission For Child Protection And Child Rights

Mr. K Naganna Gowda, the chairperson of Karnataka State Commission for Child Protection and Child Rights visited the college to inspect if the college is following government norms. He was briefed by our Principal Flt Lt Sunita Dixit(Retd) about various discipline aspects of the college such as students are not allowed to bring mobile phones, not allowed to use washrooms in between the classes, washrooms are checked for substance abuse, monitoring with CCTV cameras. The chair person appreciated college for ensuring child safety norms.

8th SCMA One Day Open Rapid Chess Competition

Meghana VB of II CSBA participated in the 8th SCMA Trophy One day Open Rapid chess tournament which was organized by Sri Sadguru Chessmartz And Music Academy, Hubballi along with Karnataka Chess Association. The tournament was held on 21/5/2023 at The Galleria mall. Meghana VB of RCPUC participated in the event and secured 4th place in Best Female category.

STUDENT CAREER AWARENESS ACTIVITY

FINANCIAL INDEPENDENCE IS THE ROAD TO REDUCE NATION'S FISCAL BURDEN

वित्तीयस्वतन्त्रता एव राष्ट्रस्य राजकोषभारं न्यूनीकर्तुं मार्गः अस्ति

Education is a powerful tool that equips students with the necessary skills and knowledge for a successful future. However, often students are unaware of the diverse career opportunities available to them, especially in the government sector. With a lot of encouragement from Principal Flt Lt Sunita Dixit (Retd), Mr. Balaji decided to bridge the information gap and empower students by enlightening them about government jobs and post-education opportunities. The noble intention to help children has made a lasting impact on their lives. With a clear vision in mind, there were incorporated discussions on government jobs and career prospects into the regular classroom sessions. He recognized that by integrating this knowledge into the curriculum, he could ensure that every student had access to this valuable information, regardless of their background or future aspirations. There were open and interactive discussions to introduce students to the diverse range of government jobs available. The students are provided with insights into the roles and responsibilities of civil servants, defense personnel, public administrators, and other government positions. By sharing success stories of individuals who achieved remarkable careers through government jobs, the students are ignited with a spark of motivation and curiosity.

Students Preparing for Govt. Service Examinations

To further expand students' knowledge, the principal, has decided to invite the experts and professionals from various government sectors to deliver guest lectures and conduct workshops. These sessions not only offer valuable insights but also provided practical guidance on how to navigate the selection process, prepare for examinations, and succeed in interviews. Students would be given the opportunity to interact directly with experts, clarifying their doubts and gaining deeper understanding.
